BINZ.E | TESLA MODEL S

E for evolution

Get in. Buckle up. Experience progress every meter of the way. Safe, clean, stylish, the BINZ.E, based on the Tesla Model S, puts innovation on the road. With state-of-the-art technology and equipment, the BINZ.E hearse makes a very clear statement: the future drives electric.

E — **E FOR ELEGANCE**

The BINZ.E combines dynamic design with the defining spirit of the 21st century. Classical elegance is set in motion by innovative technology.

E — E FOR EFFICIENCY

With a range of up to 350 kilometer, the BINZ.E will reach any destination reliably, economically and in an environmentally sensitive way.

E — E FOR EASE

As if it were made for the funeral profession: perfectly equipped and with a tailor-made expansion, the BINZ.E is your prestigious and indispensable partner.

E — E FOR EMISSION-FREE

Silent and without any harmful emissions, the BINZ.E, Germany's first electric hearse, demonstrates on every trip that today you can absolutely rely on tomorrow's technology. You will become a true pioneer in your field.

Customised and innovative

Through custom work and using state-of-the-art materials and technology, we create special-purpose vehicles that correspond in every detail to what our customers are looking for – in shape, colour and function, from the expansion to the equipment.
